Summarising Note :-

The D&Acd., S.K., Subs. N.A.C. proforma for journey expenses of an ex.S.man suffering from Functional Deafness. Please see the A.D.M.O.'s report at p. 12 C.F. As the Medl. Officer has definitely stated that a Hearing Aid Set will not serve any useful purpose and as a grant for any other purpose has not been recommended, this is not a case to go to the I.R.C.S.

The D.M.O. has however recommended examination by the Psycho-Analyst Mental Hospl., Madras, for the expenses in connection with which the D&Acd has submitted an estimate for Rs. 42-8-0. This will NOT be met by the I.R.C.S. As this case is not connected with M.A.C. relief, financial assistance by way of journey expenses does not, strictly speaking, come within the scope of the M.S.M.B Fund. However, the ex.S.man is said to be poor, pension rejected, vide Cols. 9 & 10 at p. 7 C.f. He was discharged in May 1947 and has been managing for the past 4 years. He is young aged 32 (28+4). Examn. by the Specialist, Mental Hospl. may do him good.

12-8. C. What for is this incomplete and unhelpful note put up? You shd. apply your mind at every stage in a current. The case came from S.K. Bd. We paid some money for transport charges. The man came here for treatment. He has been discharged with certain observations at p.39. What is the next action? Did you apply your mind at all? No. If only you had bestowed a little thought over the history of the case and the present stage, it would naturally have struck

Struck you that we shd. (1) Communicate copy of p. 39 to the Bd. and (2) Call for payee's receipt and Vouchers as instructed in para 2 of p. 17 C/f. You shd. realise that your work doesn't stop with mere Currenting and putting up without suggesting the next action. You have been persistently indifferent, careless and inattentive to the work. I have been noting this for a long time and remarking both in the currents and orally many a time. This current is a typical instance. These observations shd. be carefully noted by you for future guidance and real improvement. I shall watch your progress for a few days and then, if no progress is seen, I shall have to put up a report to the Secy. with specific instances which are too many. Please take good note of this. This is no place for shirkers.
